Leading the sector

EWG is a fast-growing player in the fintech payments sector, delivering an innovative, cost-effective, digital by default alternative to the traditional banking system.

Whether clients want to make cross-border payments or manage currencies, they can do so securely and simply via our App and API, extending their software's capabilities and leveraging EWG as their payments infrastructure.

Established in 2011 with a long-standing track of tech investment, we have embarked on an ambitious programme of innovation and scaling, enabling us to grow in size and sophistication.

Our vision; to be a recognised, trusted, and professional fintech leader, setting the standard for regulated and pioneering digital banking solutions.
